- 9- Postage and insurance will be added to all invoices. Unless otherwise indicated by the bidder on his bid sheet, we will use our discretion as to whether to ship by air or surface mail.
- 10- Title to all coins remains with the cataloguer until paid for in full.

We have an excellent collection of German Porcelain Coins & Medals on hand that we are pricing individually. These are listed by Scheuch #s and priced, or a pencil rubbing with price for pieces not listed by Scheuch. We will send this list to interested parties for them to select from, sending it first to the first person requesting it, then to others in the order we receive requests, just as soon as returns permit. As pieces are sold, the item will be Xd out of the list.

We need consignments of collections or choice individual items for our future sales, and invite your inquiries in this regard.

We will probably hold two and, if possible, three Mail Bids between this one and the end of May.

Our June Sale will be held in conjunction with the C.O.I.N. Convention June 18th thru 21st at the Statler Hilton in Los Angeles. Deadline for submitting material for this sale will be May 1st, provided the available space is not filled sooner. The buyers will be there, so if you have extra nice material to dispose of, this should be the place and time to do so. We will require a better average quality material for this sale than for our regular "Bid Sales".

Also, in conjunction with the C.O.I.N. Convention Auction, we will hold a benefit session of donated material with all of the proceeds going to the American Numismatic Authentication Trust. Donors will receive recognition in the catalog should they so desire, a receipt suitable for tax deduction purposes, and the great satisfaction of helping make this greatly needed service a reality. We will donate catalog space to as many as 200 lots, and would like to suggest that donated lots be worth at least \$25 each so that if the full 200 lots are received, the "Trust" will benefit to the tune of at least \$5,000. Deadline for our receiving donated material will also be May 1, unless the allotted space is filled sooner.

No sales in July or August (unless something unforeseen comes up) and tentative plans are for another "Public Sale" at the O'Hare Inn for September.

Remember, in addition to accepting consignments for all of our sales, we are also in the market to purchase nice material at all times. We prefer collections in specific categories or individual rarities, but will consider any worthwhile material regardless of total value, and will do our best to effect complete satisfaction to all concerned.

Would you like to buy a large stock of German Notgeld War Tokens? We have such a stock we would consider selling and will make a list of it for any interested inquirer.
